**arteast OPEN STUDIOS TOUR 2024**

Greetings, art lovers!

2024 is the 17th consecutive year of the artEast October Open Studios Tour, when we welcome all visitors from near and far to visit artists' studios, meet the artists, see their work and chat about their creative practices.

We look forward to welcoming old friends back and making new acquaintances.

In 2006, artEast was founded to increase awareness of the art being made in eastern Dutchess County. Since then, we have grown our membership and geographic reach, and participate in multiple community events, exhibiting our art work and engaging the communities in workshops and creative arts projects from spring through fall. This year we have added 2 new art events: The May Open Studios Tour and the Plein Air Paint-out and Auction in June. Visit our website at [www.arteastdutchess.com](http://www.arteastdutchess.com) to learn more and sign up for our mailing list so you don't miss a thing!

We look forward to welcoming you into our studios in October! Come ask questions and... maybe go home with a new work of art!
